Pandemic Preparedness Planning

The following fact sheets provide information on how individuals, families, and health care workers can help prepare for a possible flu pandemic:

Home and Family Preparedness

Personal Hygiene

Personal Protective Equipment

Infectious Disease Cleanup

Sheltering In Place

Social Distancing

Workplace Preparedness

Health Care Worker Preparedness

Note: The following links are not to official Church publications, but are provided as additional resource material.

The Center for Disease Control Web site offers pandemic flu information for individuals and families.

Brigham Young University Idaho offers an online training video for the prevention of Avian flu.
